

**LEAVE A LEGACY THAT WILL
MAKE A DIFFERENCE**

Guide to Legacy Giving

1

Reflect on Your Wishes:

Take the time to consider who and what causes are important to you. Decide on the family members, friends, and organizations that you would like to include in your Will. Your legacy gift can be a powerful way to support the causes you care about for years to come.

2

Share Your Intentions:

It's important to communicate your decision with your loved ones. Share your wishes with them openly and discuss the reasons behind your choice. This ensures that your intentions are understood and respected by those closest to you.

3

Choose Your Legacy:

Determine the type of legacy you would like to leave. You have several options, including:

- **Pecuniary Gift:** Specify a fixed amount of money to be donated to our organization.
- **Residuary Gift:** Leave a portion or the entirety of your estate after other specific gifts and expenses have been fulfilled.
- **Percentage of Estate:** Designate a percentage of your estate to be given to Doctors Without Borders.

4

Seek Legal Advice:

Visit a solicitor to have your Will written or updated. A solicitor can provide invaluable guidance to ensure that your wishes are accurately reflected in your Will and legally binding. Here is what you will need to know to include us in your legacy donation:

Legal name: Medecins Sans Frontieres (HK) Limited

Address: 22/F, Pacific Plaza, 410 - 418 Des Voeux Road West, West Point, Hong Kong

Registration number: 475540

This sample language may be useful:

"I give and bequeath to Medecins Sans Frontieres (HK) Limited, 22/F, Pacific Plaza, 410 - 418 Des Voeux Road West, West Point, Hong Kong [the sum of _____ Dollar (\$____)] [_____ % of the rest, residue and remainder of my estate], to be used for its general charitable purposes."
